4.0 RULES OF ORDER FOR CONDUCTING MEETINGS

- 4.1 The Chair of the Committee, or, in his/her absence, the Chair pro-tempore, shall preside over all Committee meetings. He/She shall call the meeting to order promptly at the time designated, or as soon thereafter as a quorum is present. He/She shall preserve order and decorum and decide upon all questions of order, stating if requested, that the decision or his/her ruling is based Bourinot's Rules of Order, and stating the rule that is being applied. In such case there shall be no debate.

If any member, however, challenges the Chair on a ruling, other than that based on the rules of order, the member shall explain his/her basis for the objection, and the question shall be put in the form of a motion, duly moved and seconded, and debated if required, and voted on. A simple majority vote in favour of the motion carries the motion and the ruling is defeated or overturned.

- 4.2 The Chair shall cause the Project Manager, or his/her designate, to record the names of members present and members absent.
- 4.3 In the event of the absence of the Chair from any meeting, the members present shall, upon receiving notice of the absence, or after a waiting period of fifteen (15) minutes from the time of the duly called meeting, appoint a Chair pro-tempore from the Committee members present, who, for the purposes of that meeting, has all the powers and shall perform all duties of the Chair. The Chair pro-tempore shall preside over the meeting for so long as the Chair remains absent from the meeting and until the immediate business at hand is completed. The Project Manager or his/her designate shall preside over the appointment of the Chair pro-tempore. The Chair pro-tempore shall not vote on any matter
- 4.4 The Committee shall conduct business only when a quorum is present. One or more vacancies in the membership of the Committee does not prevent the Committee from conducting business as long as the number of members in office is sufficient to maintain quorum.
- 4.5 A quorum for any meeting of the Committee shall consist of the Chair or Chair pro-tempore plus two-thirds of the fifteen members of the Committee (10 members). Participation by teleconference, when necessary in extenuating circumstances, may count toward quorum. If no quorum is present one-half hour after the time appointed for a meeting of the Committee, the Project Manager records the names of those present and the meeting shall stand adjourned until the next meeting.

- 4.6 Delegations to any Committee meeting will be considered, if requested in writing at least ten (10) days prior to the meeting, or if otherwise approved by the Chair. Such written request must state the purpose of the delegation.

Delegations to any meeting of the Committee will be limited to one key spokesperson and will be allotted a maximum of five (5) minutes for their related presentation, with the Chair's discretion to allow ten (10) minutes. The Chair may limit the number of delegations per meeting.

- 4.7 Where an evening meeting is being held, every effort should be made to adjourn the meeting by 11:00 p.m. The Chair shall not permit the meeting to continue beyond 11:00 p.m. without the consent of the majority of the members present.
- 4.8 The Committee shall attempt to make decisions through consensus. If the Chair determines that consensus is not likely to be achieved with-in a reasonable time, the Chair may call for a motion on the business, or ask to have the business deferred to a subsequent meeting. Motions will carry by majority vote of at least 2/3 of the members present, not counting the Chair. Any motion on which there is an equality of votes is lost (i.e. at least 2/3 of the members present must vote, and the vote is carried on a simple majority of those voting – and if 2/3 do not vote then it is lost)
- 4.9 At any meeting of the Committee, each member is entitled to one (1) vote. The Chair shall not vote. A member may participate by proxy as follows;
- i) Proxy will count toward quorum and in voting.
 - ii) A Member wishing to give their proxy vote to another Member must advise the Chair in writing prior to the meeting (email is acceptable).
 - iii) In addition to giving their general proxy vote to another Member, the Member may give specific instructions regarding their vote in a particular matter.
 - iv) A Member attending a meeting may carry only one proxy.
- 4.10 No motion or amendment shall be debated or put to a vote unless seconded.
- 4.11 When a motion is proposed, then an amendment and subsequently an amendment to the amendment (sub-amendment), the vote of the members shall first be taken on the sub-amendment, then on the amendment, and finally on the main motion. Only two (2) amendments (an amendment and a sub-amendment) may be proposed at the same time to a question. When one or both amendments have been disposed of, a further amendment or sub-amendment may be entertained by the Chair. When either an amendment or a sub-amendment has been carried, the question is put on the motion (or

amendment) as amended.

- 4.12 The Chair, when the meeting is ready for the decision on any question, shall read the question (motion) before calling for the vote. He/she shall first call for those who favour the question, and next for those who oppose it.
- 4.13 In person voting shall be by show of hands. Any member may request a recording of the vote by calling of the vote. A member has a right to abstain from voting.

In the event of electronic or teleconference participation, members attending with video capabilities will be asked to vote by show of hands. Members attending by teleconference only will be asked to verbally declare their vote. If no declaration is made, the vote will be assumed to be in favour of the motion

- 4.14 If the Chair desires to leave the Chair for the purpose of taking part in the debate or for any other purpose, he/she shall call another member to fill his/her place until he/she resumes the Chair. Any member temporarily occupying the Chair shall discharge all the duties and enjoy all the rights of the Chair.
- 4.15 Every member may speak once for no more than five (5) minutes on each motion amendment or sub-amendment. Additional time or additional opportunities to speak on the same motion, amendment or sub-amendment may be granted by the Chair after all members have had an opportunity to speak.
- 4.16 When a member desires to speak, he/she shall address the Chair and confine himself/herself to the question under debate.
- 4.17 No member shall interrupt another while speaking unless to raise a point of order or to correct a mistake. The member so interrupting shall confine himself/herself to the point of order or explanation.
- 4.18 When a member transgresses the rules, the Chair shall call him/her to order, in that case the member so called to order shall come to order, unless permitted to explain by the Chair.
- 4.19 Every motion must be put in writing by the recording secretary and seconded. It shall then be in the possession of the Committee, and can be disposed of only by a vote, unless the Committee unanimously allows the mover to withdraw it. A single voice can prevent such withdrawal.
- 4.20 Any member may require the motion under discussion to be read at any period of the debate, but not so as to interrupt the speaker.
- 4.21 A motion to adjourn the meeting shall always be in order but when a motion is

under consideration no other motion shall be received except a motion:

- i. To adjourn the debate
- ii. To put the previous question
- iii. To postpone the discussion
- iv. To refer
- v. To table
- vi. To amend

- 4.22 After the motion has been put by the Chair, no debate shall be allowed, nor shall any other motion be made until the question under discussion has been decided, and the decision of the Chair as to whether the question has been put shall be conclusive.
- 4.23 At a subsequent meeting, any member may move to have reconsidered any motion which has already been decided. A motion to reconsider is not debatable, but shall be voted upon immediately. If a motion to reconsider a resolution is carried by 2/3 majority, then the meeting must reconsider said resolution immediately.
- 4.24 No person, other than a member of the Committee, shall be allowed to address the Chair without permission of the Chair, except the liaison representatives appointed by the Source Protection Authority or Ministry of the Environment.
- 4.25 All communication to the Committee should be addressed through the Project Manager or Chair.
- 4.26 Every substantive motion shall require five (5) days notice before it will be considered. This requirement may be waived with the consent of 2/3 of all members of the Board. A substantive motion is one which sets or alters Committee policy.
